MEMORANDUM FOR THE NATIONAL FOREIGN INTELLIGENCE BOARD

FROM:

[REDACTED]  
Deputy to the DCI for the Intelligence Community

SUBJECT: Highlights of the Recent Strategic Warning Review  
Group Meeting

1. DCID No. 1/5 requires the Strategic Warning Review Group to "review the functioning of the strategic warning process and report periodically--at least annually--to the NFIB on its findings." At a Review Group meeting in June several important issues were addressed. However, I do not believe it necessary to discuss these issues at an NFIB meeting at this time. Attached, for your information, are the minutes of that meeting.

2. No further NFIB action is required.
